

Exp no:6

Determination and plotting of Capacitance of parallel plate capacitor in three different dielectric media with specific areas, dielectric thickness and various dielectric constant.

Aim:

To write program for capacitance of parallel plate capacitor in three different dielectric media using SCILAB.

Software required:

- SCILAB version 6.0.1

Determination and plotting of Capacitance of parallel plate capacitor in three different dielectric medium with specific area, dielectric thickness and various dielectric constant

CODE:

Case 2. Glass:

Case 3. Teflon:

Result :

Thus the program was verified for capacitance of parallel plate capacitor in three different dielectric media using SCILAB was successfully.
